

Decision Making Process – The Advice Process

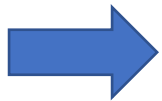

Person recognises problem requiring a decision

Seek input and advice

Who is affected by this decision? Identify contact and discuss the problem

Who has knowledge that could help? Identify contact and ask for advice

Proceed with the decision on the advice received and let people know what you are doing

OR

Still not sure and need more input? Take to Service Development and Advice Team (Meetings every second Tuesday)

Need finances for the solution? Take to the Finance Team (meetings every second Tuesday)

Proceed with the decision on the responses received and let people know what you are doing
